Do you have any plan for your children during the free time in the winter vacation???

If not, then we have.....

Environmental Camps for Conservation Awareness (ECCA Nepal) is organizing overnight Winter Life Skill Camp from 24<sup>th</sup> January to 27<sup>th</sup> January 2010 at Environmental Resource Center, Sipadol, Bhaktapur for boys and girls of class 4-9.

Life Skills in both knowledge and skills perspective are highly recognized these days. Our country Nepal is also not isolated from this development discourse. *Life Skills are "essential learning tools and basic learning content required by human beings to be able to survive, to develop their full capacities and to improve the quality of their lives"*

**Objectives of the Life Skill camp:**

- To increase the personal development among students
- To facilitate theoretical and practical aspects of basic Life Skills to the students
- To develop the leadership capacities of the students
- To make engage in out of the regular studies and experience a new environment for study.
